2-Templates

The image displays two screenshots of the Master Of Things (MoT) web interface, showing different page templates for a parking system.

Top Screenshot: The interface shows the "Common Menu" page. The "Page Plugins" dropdown is set to "4- Link 3-T4". The main content area displays three buttons labeled "parking one", "parking two", and "parking three". The right sidebar includes "My Custom Events" (Accelerometer ServoMotor), "Project Pages" (singlesopt, parking2, parking3, Common Menu), and "Plugin Properties (Link 3-T4)". The "Plugin Properties" table shows:

Name	Value
Link caption	parking three
Link URL	https://learning.masterofthin

Bottom Screenshot: The interface shows the "singlesopt" page. The "Page Plugins" dropdown is set to "Page singlesopt". The main content area displays three images of a car, each on a black background, representing different parking positions. The right sidebar includes "My Custom Events" (Accelerometer ServoMotor), "Project Pages" (singlesopt, parking2, parking3, Common Menu), and "Page Properties (singlesopt)". The "Page Properties" table shows:

Name	Value
Page Id	1
Page Name	singlesopt
Page Type	Standard

Both screenshots show a Windows taskbar at the bottom with the date and time as 1/14/2023, 2:45 AM.
